PRAYER POINTS

Emerge Leadership Development is a short-term programme offering emerging leaders the opportunity to develop their potential and gifts. *Pray that those who have signed up for Emerge would grow in their gifting over the next few months as they share together in this learning experience.*

The Ministerial Studies and Development Committee meets on Monday 21st. *Pray for the members as they consider how to encourage men and women to consider whether God is calling them into the ordained ministry, and how to increase awareness and prayerfulness in the Church about this.*
